

DRY COAT 2.0

Control Powder black or orange

V02
06/2022

:: DESCRIPTION

- Finest sanding control powder in a modified edition set
- Starter-Set: Applicator + foam ring (velcro) + 2 x powder cartridge + storage
- Refill-set: Control powder cartridges black or orange
- Basic-material: Natron lime-borosilicate-glass

:: AREA OF DESCRIPTION

- Sanding control on putty, filler and primer
- Colour: Black for light surfaces
- Orange for dark surfaces

:: BENEFITS

- Makes finest imperfections and pinholes visible
- Aerosol- and solvent-free / work protection / does not clog the abrasives
- Easy one-hand-application
- Simple cartridge change due to the velcro foam ring
- Sustainable storage tray / Parking Area included in the set
- Individual components can be ordered: Foam rings, powder cartridges

:: APPLICATION ADVICE

The control powder reaches deep into all imperfections of the surfaces so all kind of scratches, pinholes become visible. The Carsystem Dry Coat 2.0 requires no drying time or masking. The control powder can be sanded immediately after application.

:: SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions.

In practice, the materials, surfaces or site conditions are so different that no warranty re-garding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with in-tent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply.

Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.
